

Eames® Molded Wood Chairs and Stools

In 2013, veneer molding technology finally caught up with the vision of Charles and Ray Eames. This made it possible for us to execute their one-piece chair shell in contoured wood. We developed the Molded Wood Chair in cooperation with the Eames Office.

Designers

Charles and Ray Eames

Benefits

- The warmth of wood reveals a new dimension of the classic design
- Stylish guest seating ideal for private offices, collaborative spaces, cafés, and more
- Range of base options includes bar- or counter-height stools

Warranty

5 years
