

LIZ. DESIGN: CLAUDIO BELLINI.

Dieser Stuhl von Claudio Bellini ist auf das Schönste reduziert. Schwingende Linien prägen die Silhouette – charmant betont durch die farblich akzentuierte Biese. Ein elastisches Gewebe – unter dem Bezug – spannt die Flächen für Sitz und Rücken auf. Für die Luftfahrt entwickelt, leistet das Hightech-Material auch bei Liz den besonderen Komfort. Wieder wegweisend innovativ wie einst der Antimott-Sessel von Walter Knoll mit seiner speziellen Feder in den 30er Jahren. Eine neue Leichtigkeit des Sitzens.

This chair by Claudio Bellini has been reduced to what is most beautiful. Swaying lines define the silhouette – charmingly emphasised by the coloured piping. An elastic textile – under the cover – spans its expanses for seat and back. Developed for aviation, the high-tech material provides special comfort for Liz, too. Once again pioneeringly innovative like the »Antimott« armchair by Walter Knoll from the 1930s with its special springs. A new lightness of sitting.

LIZ. Design: Claudio Bellini.

This chair by Claudio Bellini has been reduced to what is most beautiful. Swaying lines define the silhouette – charmingly emphasised by the coloured piping. An elastic textile – under the cover – spans its expanses for seat and back. The chair comes with solid armrests or without armrests. There is a new variant with a soft upholstery. The cover can be removed.

Product description

Design awards

Modell no.

1300

Frame

Steel frame.
Flexible back.

Upholstery

Liz 1300, 1304:

Tube diameter: 16 mm
Layer of foam: 3 mm

Liz 1306, 1308, 1302, 1314:

Tube diameter: 18 mm
Layer of foam: 9 mm

Liz with soft upholstery 1307, 1309, 1311, 1313:

Tube diameter: 18 mm
Layer of foam: 3 mm with wadding cover.
With draw-ins.

Cover

Seat and back of tensioned, elasticated and dimensionally stable, high-tech fabric.

The covers are removeable. Cover and frame can be separated and recycled.

Cover may develop slight folds due to the design as a result of stretching of the materials when in use.

LIZ.
