

# ABOUT A CHAIR / AAC 09

DESIGN BY HEE WELLING & HAY

About A Chair AAC 09 features an open frame in bent steel that adds lightness to the intuitive design. Its upright, yet rounded shell combines functional stackability with great comfort and an inviting expression. The open sled frame is available in stainless steel and powder coated finishes, while the shell comes in diverse colour and upholstery options, allowing a multitude of design combinations that make this series so versatile.
