

SOFT EDGE 32

DESIGN BY ISKOS-BERLIN

Made possible by exploring innovative developments in moulded plywood techniques, Iskos-Berlin's Soft Edge series blends strong curves with extreme lightness to create a three-dimensionality that is not normally possible with 2D plywood. All the edges of the ultra-thin, soft-formed seats are bent away from the body, designed to optimise human-centric comfort for constant shifting and movement. The long, solid wooden legs along and the rectangular inner frame create a feeling of seamless symmetry and stability. Its strength and functionality ensure years of everyday use in a wide range of public and private environments – from corporate spaces and cafés to home environments.

PRODUCT DETAILS

- / Part of a family of dining chairs, bar stools and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- / 3-dimensional form based on the latest developments in moulded plywood technique using ordinary plywood.
- / Variety of seat and base colours and finishes.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.

HAY

CONSTRUCTION

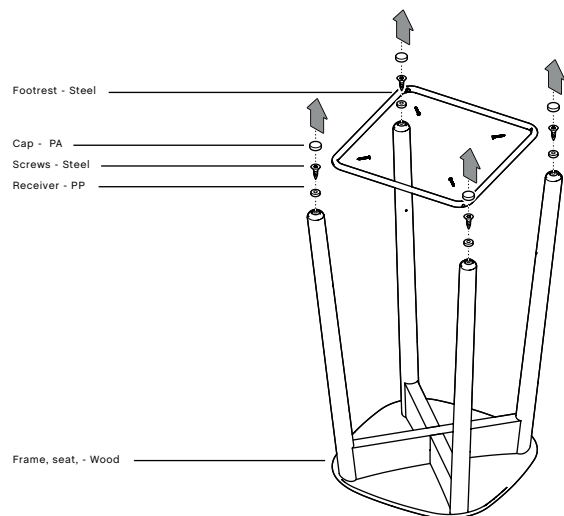

SEAT / 2D moulded plywood seat. Inner plywood in beech, top veneer in oak.

BASE / Solid oak legs.

RECYLING & DISASSEMBLY

Soft Edge 32 is designed to be a long-lasting furniture made to last for many years. The chair is 100% recyclable and all parts can be fully separated and recycled. All parts can be delivered to a suitable recycling facility.

To disassemble the stool, turn it over and remove the cap of the gilder. Then unscrew the screw and remove the gilder receiver. Unscrew the four screws holding the foot rest and remove it.

DIMENSIONS

LOW

WIDTH / 37,5 cm / 14.76"

DEPTH / 37,5 cm / 14.76"

HEIGHT / 65 cm / 25.59"

SEAT HEIGHT / 65 cm / 25.59"

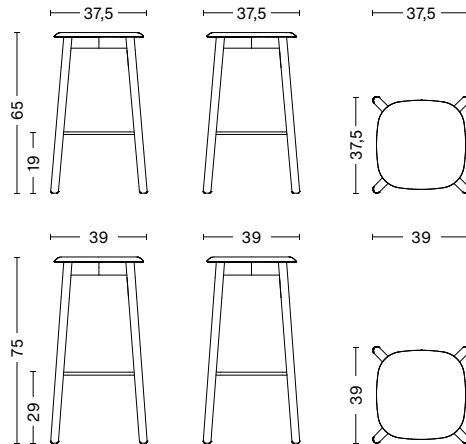

HIGH

WIDTH / 39 cm / 15.35"

DEPTH / 39 cm / 15.35"

HEIGHT / 75 cm / 29.53"

SEAT HEIGHT / 75 cm / 29.53"
