

**VOSTRA.** Design: Walter Knoll Team.

---

Vostra exudes the charm of memory. As far back as the fifties, the armchair was courageous enough to make a statement about casual seating. Today, it once again stands for lifestyle. Unconventional and easily remembered, it soon became a symbol of the time of awakening. Today, still an example of the timeless quality of good design.

## Product description

---

### Armchair

#### Modell no.

607

---
