

X-SERIES

design Ross Didier
year 2007

The concept for the X-Series was to design a versatile table system that comprised of 3 standard heights and 4 standard base sizes to accommodate a versatile commercial table family.

A minimal design that appeals to both office, hospitality and residential interiors at a affordable price. The X-Series is readily available with a lead-time of 4-6 weeks.

100% Australian made and designed.
